## FANFARO TRD GEO 6111

High-performance engine oil specifically formulated for gas engines. Designed to meet the requirements of today's modern four-stroke engines, formulated to provide reliable protection for trucks and buses which run on compressed natural gas (CNG), liquefied natural gas (LNG) or liquefied petroleum gas (LPG). FANFARO TRD-11 Geo uses high-quality base oils and an advanced additive system with low-sulphated ash which delivers exceptional thermal and oxidative stability as well as nitration resistance. FANFARO TRD-11 Geo is balanced to provide perfect anti-wear protection characteristics to protect valve train components, pistons, cylinder liners and bearings. Low levels of zinc and phosphorous help to improve and extend the service life of the catalytic converter.

### CORRESPONDS WITH REQUIREMENTS / SPECIFICATIONS / PRODUCTS:

SAE 15W-40  
CUMMINS CES 20074  
DETROIT DIESEL PGOS 93K216

### PACKAGES (ARTICLE NUMBER):

60L (FF6111-60)  
1000L (FF6111-IBC)  
208L (FF6111-DR)  
20L (FF6111-20)  
10L (FF6111-10)
